

Safety Datasheet

Revision date: 08/02/2021

1 Product Identification

Trade Name:	V-WORX FABRIC SOFTENER COUNTRY FRESH
Chemical abstract number:	N/A
Chemical family:	Mixture
NIOSH number:	N/A
UN number:	N/A
Synonyms:	Fabric Softener

2 Company Information

Manufacturers Name:	V-Worx (Pty) Ltd
Address:	Cosmo Business Park, Unit 66 Cosmo City, Johannesburg GAUTENG
Telephone Number	010 446 9891
Fax:	086 687 2549
e-Mail:	info@v-worx.co.za
Website:	www.v-worx.co.za

3 Hazardous Identification

Flammability:	No
Health effects – eyes:	May cause eye irritation
Health effects – skin:	May cause irritation to skin
Health effects – ingestion:	Nausea
Health effects – inhalation:	None
Carcinogenicity:	No
Mutagenicity:	No

Revision date: 08/02/2021

4 Composition

Hazardous components	CAS No.	Concentration	Threshold Limit	Classification
Complex difatty quaternary	91 995-81-2	3.5%		

5 First Aid Measures

Product in eye:	Irrigate copiously with clean, fresh water for at least 15 minutes. Seek medical advice if irritation persists.
Product on skin:	Wash with plenty of water. Remove contaminated clothing and wash before re-use.
Product ingested:	Do not induce vomiting. Drink large quantities of water. Give nothing by mouth to an unconscious person. Seek medical attention.
Product inhaled:	Remove to fresh air.

6 Fire Fighting Measures

Extinguisher Media:	Water, carbon dioxide or media suitable for surrounding fire.
Protective Clothing:	Protective clothing with self-contained breathing apparatus.
Special Hazards:	None
Flashpoint:	None

7 Accidental Release Measures

Spillage:	Scoop into suitable container and hold for disposal. Rinse spill area with water.

Revision date: 08/02/2021

8 Handling and Storing

Storage:

Store in a cool dry area. Keep container tightly closed when not in use. Store away from foodstuff.

Personal Protection:

Safety goggles should be worn if possibility of splashing.

9 Chemical and Physical Properties

Appearance:	Viscous Liquid
Odour:	Fresh
pH:	7
Boiling Point:	100°C
Melting Point:	N/A
Flash Point:	N/A
Flammability:	No
Auto Flammability:	No
Explosive Properties:	No
Oxidizing Properties:	No
Vapour Properties:	N/A
Density:	N/A
Solubility in Water:	Complete
Solubility – Solvent:	No
Solubility – Coefficient:	N/A
Neurotoxicity:	No

10 Stability and Reactivity

Stability:	Stable
Incompatible Materials:	None
Hazardous Decomposition Products:	None

Revision date: 08/02/2021

11 Toxicological Information

Aquatic Toxicity: No information found

12 Ecological Information

Aquatic toxicity – fish: No information found.

Bio-accumulation: No information found.

13 Disposal Considerations

Disposal methods: Dispose of in accordance with local regulations. Do not flush in sewer.

14 Transport Information

ADR: Not regulated

AND: Not regulated

IMDG: Not regulated

IATA: Not regulated

15 Regulatory Information

Risk phases: Irritant to eyes

Revision date: 08/02/2021

16 Other Information

N/A

N/A

To the best of our knowledge, the information contained herein is correct. We do not assume any liability for the consequences of its use since the information may be applied under conditions beyond our control and with which we may be unfamiliar, and since data made available following the issuance of this document could suggest modification of the information. Final determination of the suitability of any material is the sole responsibility of the user. Although certain hazards are described herein, we cannot guarantee that these are the only hazards that exist. All materials may present unknown hazards and should be used with caution.

We believe that the product referred to herein, will perform the function/s for which they are intended, but do not, in any way guarantee or warrant that they will do so, as conditions of actual use are beyond our control, under no circumstances shall we be liable for any consequential loss of profits arising from their use.
